ABOUT US

Founded in 2000, ONI Shopfitting Ltd. is a leading manufacturer of retail store fixtures, commercial interior fitouts, and display furnitures in Guangzhou, China. With a team of over 200 employees and a 30,000-square-meter production facility, ONI utilizes advanced manufacturing equipments to produce over 300,000 sets of store fixtures annually, including counters, display shelvings, store joineries, and display cases designed for premium product showcases.

After years of dedicated R&D and production, the company has assembled a team of specialized technical personnel and product development experts. Leveraging a dynamic team across R&D, manufacturing, marketing, and after-sales service, we employ internationally advanced production processes and technologies. Mastering multiple rigorous inspection techniques to ensure product precision and quality, we have progressively evolved into a renowned modern integrated manufacturer of display cabinets, display racks, and related products in China.

ONE STOP SERVICE

Use cutting-edge talents to create the best quality, provide the best service, and receive the best benefits

DEVELOPMENT HISTORY

2025-Strategic Expansion: ONI MENA Team Formed

In 2024, ONI established the ONI MENA Team, This strategic move enables us to better understand and serve the needs of clients in the Middle East and North Africa, marking a significant step in ONI's international expansion strategy.

2020-2023-Steady Growth: Serving Global Clients

From 2020 to 2023, we consistently exported high-quality fixtures and shopfitting solutions to clients across Europe, the Americas, the Middle East, and Southeast Asia, reinforcing long-term partnerships and expanding our global footprint.

2018-Major Leap: Fully Upgraded Factory

To meet growing global demand for quality and speed, we relocated in 2018 to a newly built, state-of-the-art facility of over 35,000 square meters, over 250 employees, This marked a major milestone in ONI's modernization and scaling efforts.

2016-Brand Elevation: ONI Headquarters Established

In 2016, ONI Shopfitting officially established its headquarters in Guangzhou, China. This move allowed us to integrate design, production, sales, and operations under one roof, It marked our evolution into a professional and internationally-oriented commercial environment solution provider.

2013-Capacity Expansion: Factory Growth

We significantly upgraded our production capabilities in 2013. The factory was expanded to 15,000 square meters and our workforce grew to 150 employees. We also improved our facilities and management systems.

2010-Creative Drive: Design Department Founded

ONI formed an independent Creative Design Team in 2010. This department focused on visual planning and product innovation for commercial spaces. It was a key milestone in our transformation from a traditional manufacturer to a design-driven enterprise.

2008-Foundation: Factory Established

In 2008, we established our first production facility, covering 5,000 square meters and started with 25 skilled workers.

Quality Management System Certification

Environmental management System certification

Occupational Health Management System Certification

Social responsibility review

Vision: To become the preferred supplier of retail display solutions for our customers.

COOPERATIVE PARTNER

The selection by numerous renowned brands stands as a testament to the high recognition of ONI. We will continue to uphold the spirit of professionalism, innovation, and excellence, collaborating with more brands to present more spectacular store displays to the world, ensuring global consumers enjoy successful shopping experiences.

BRAND PHILOSOPHY

We believe that cosmetics are not just products—they convey beauty and emotion. A well-designed space enhances product value and captivates attention. Through layout, lighting, and materials, we create a unique visual experience for every brand.

OUR VISSION

To become a global leader among the top 10 store fixture suppliers world-wide, recognized as the go-to partner for retailers seeking cutting-edge design, reliability, and value-driven innovation. We aspire to set industry benchmarks by redefining how retail environments are built, ensuring our clients thrive in an ever-evolving market.

JEWELRY DISPLAY CABINET CASE

JEWELRY DISPLAY CABINET CASE - 01

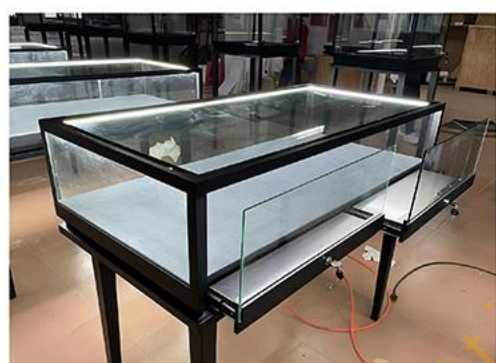

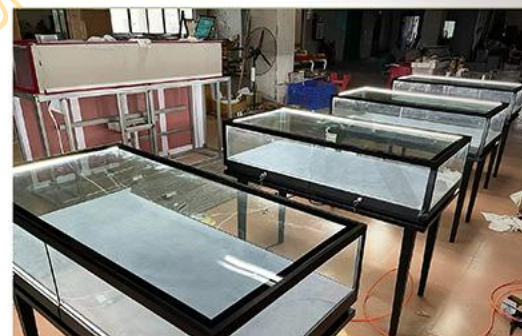

DESIGN DESCRIPTION:

Use high-end commercial space design techniques to develop a scientific customer traffic flow layout to increase customer pass-through and retention rates in the store.

JEWELRY DISPLAY CABINET CASE - 02

ONI
Shopfitting

DESIGN DESCRIPTION:

In spatial design, an understated yet luxurious color palette is employed throughout to cultivate an atmosphere of refined tranquility. Layout considerations prioritize seamless customer flow and comfort. Display zones are clearly segmented and meticulously arranged according to distinct jewelry collections and styles.

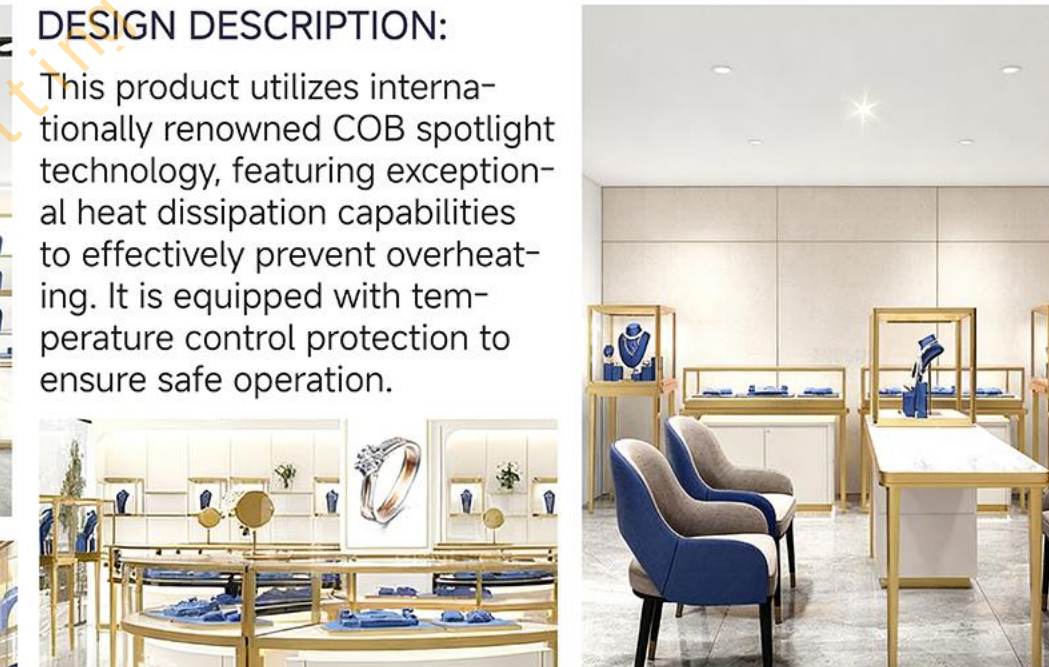

JEWELRY DISPLAY CABINET CASE - 03

ONI
Shopfitting

DESIGN DESCRIPTION:

This product utilizes internationally renowned COB spotlight technology, featuring exceptional heat dissipation capabilities to effectively prevent overheating. It is equipped with temperature control protection to ensure safe operation.

JEWELRY DISPLAY CABINET CASE - 04

ONI
Shopfitting

DESIGN DESCRIPTION:

The design of the jewelry display cabinet showcases extraordinary creativity. The display area is meticulously crafted using 10mm thick ultra-clear tempered glass, ensuring explosion-proof performance through integrated molding technology while delivering exceptional light transmission, safety, and structural stability. The cabinet body is expertly polished from solid wood and finished with PU synthetic leather. This material not only offers wear resistance and stain resistance but also features waterproof properties, easy cleaning, and odor-free characteristics.

JEWELRY DISPLAY CABINET CASE - 05

ONI
Shopfitting

DESIGN DESCRIPTION:

This jewelry store embraces a distinctive design philosophy, featuring luxurious gold as its primary color scheme to deliver an extraordinary visual experience. Upon entering, the bright exterior immediately captivates you, setting a delightful atmosphere for your shopping journey. We maximize wall space to display various promotional posters, allowing you to explore our products further.

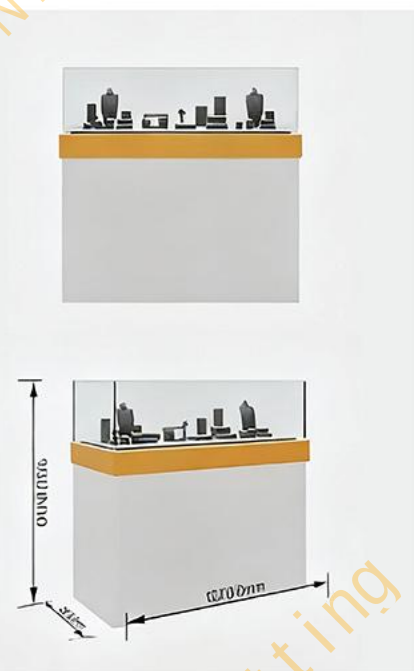

JEWELRY DISPLAY CABINET CASE - 06

DESIGN DESCRIPTION:

The display cabinet features a classic combination of white and orange. The fresh, elegant white adds a touch of sophistication, while the vibrant orange creates a warm and inviting atmosphere. The central orange pillar can be customized with your brand logo or insignia, highlighting brand identity and enhancing visual recall to boost recognition. The top features a transparent glass cover that showcases the dazzling details of jewelry under light while effectively preventing dust and accidental contact, ensuring pieces remain pristine.

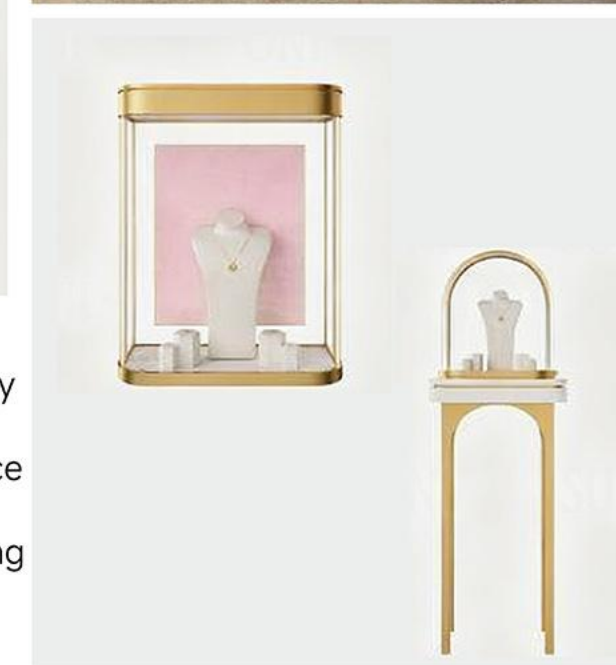

JEWELRY DISPLAY CABINET CASE - 07

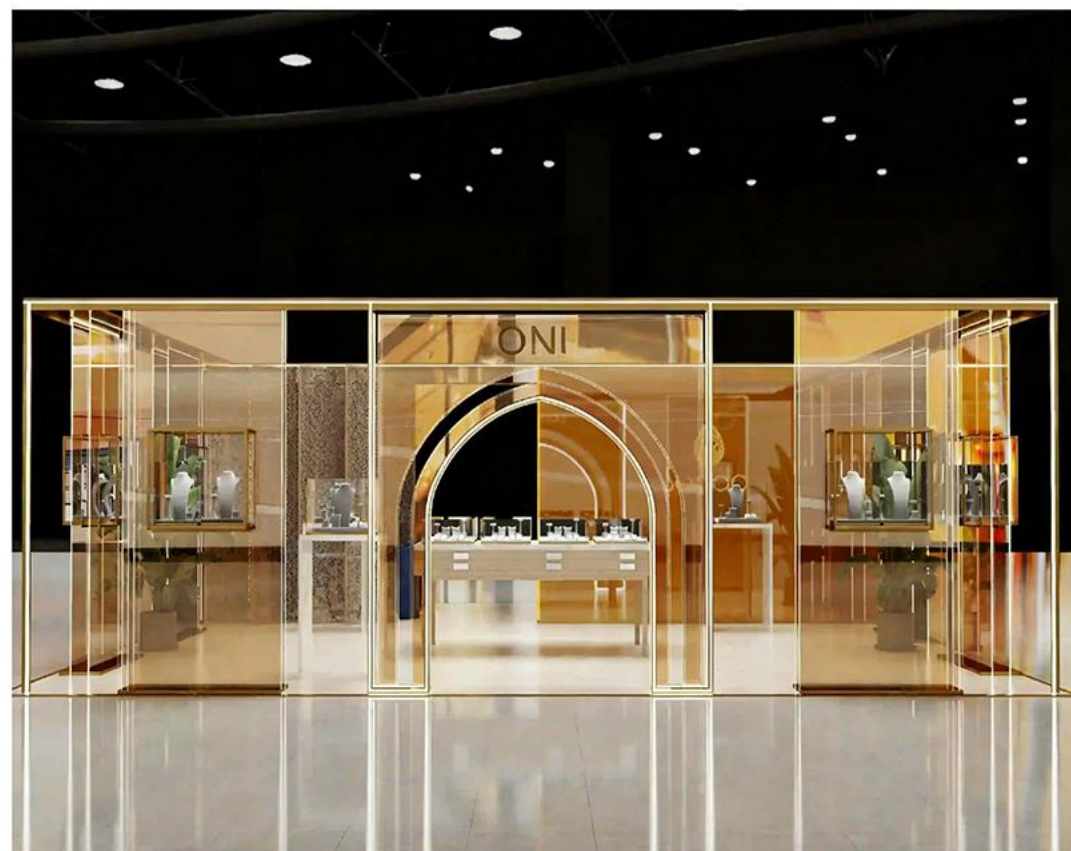

DESIGN DESCRIPTION:

The store exudes an elegant and sophisticated ambiance, where jewelry display cases and wall cabinets are artfully arranged to complement each other, creating diverse exhibition spaces for the jewelry. Each piece finds its perfect stage here, showcasing its unique style while offering inspiration for store owners seeking creative display ideas. Every viewing becomes a visual delight, and each piece—gracefully displayed in high-end jewelry cases—sparks customers' desire to purchase.

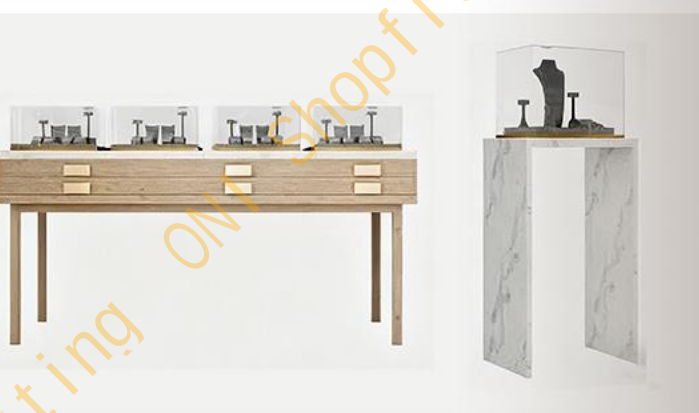

JEWELRY DISPLAY CABINET CASE - 08

ONI
Shopfitting

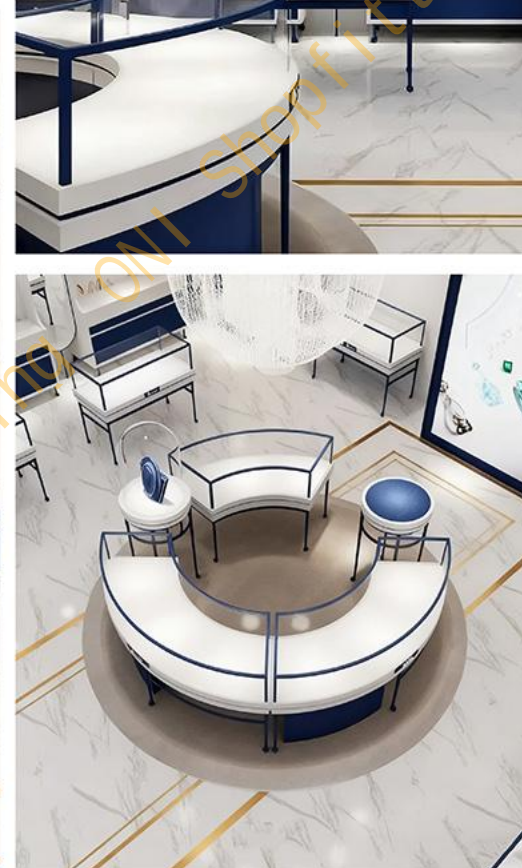

DESIGN DESCRIPTION:

Exquisitely crafted gold accents—from corner trims to lighting and display fixtures—create an atmosphere of luxury, enhancing the allure of the jewelry and reinforcing the brand's elegance. Smooth translucent glass walls enhance visibility and appeal, allowing customers to effortlessly view the jewelry displays. Paired with gold accents, this luxurious and refined design elevates the brand's premium image.

JEWELRY DISPLAY CABINET CASE - 09

ONI
Shopfitting

DESIGN DESCRIPTION:

Oceanic Hues: Embracing Depth and Mystery Our jewelry boutique embraces the ocean's deep blue as its signature palette, crafting an atmosphere of ever-shifting luxury that envelops you in the embrace of the sea. Interior display cases mirror this deep blue theme, featuring custom designs that are not only aesthetically striking but also enhance the presentation of each piece, making every jewel appear exceptionally luminous.

JEWELRY DISPLAY CABINET CASE - 10

DESIGN DESCRIPTION:

The store features an elegant white palette as its primary color scheme, complemented by high-end gold accents on the jewelry display cases. These two hues harmoniously blend to create a warm and welcoming atmosphere. A meticulously designed lighting system skillfully illuminates each piece of jewelry with soft, precise beams, making them sparkle brilliantly. The integration of jewelry display elements with the customer lounge not only enhances shopping comfort but also adds depth and dimension to the space.

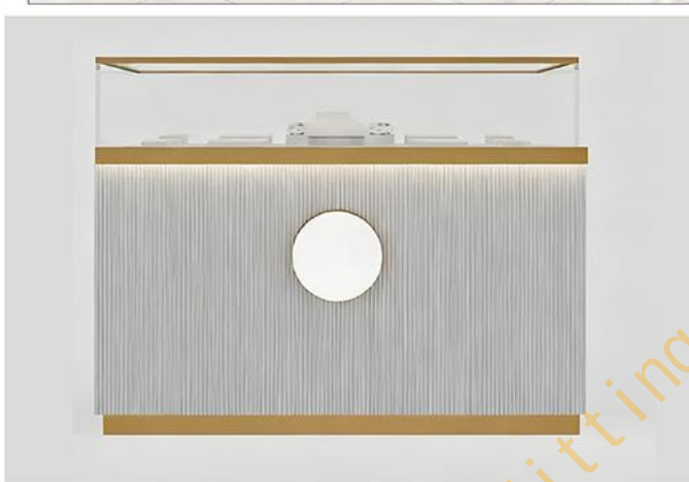

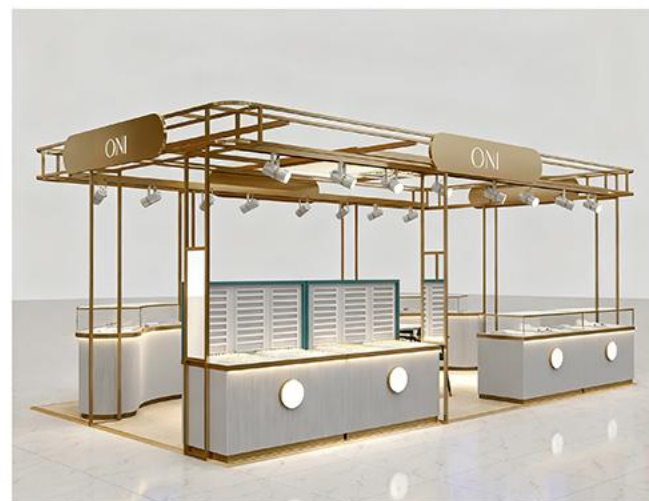

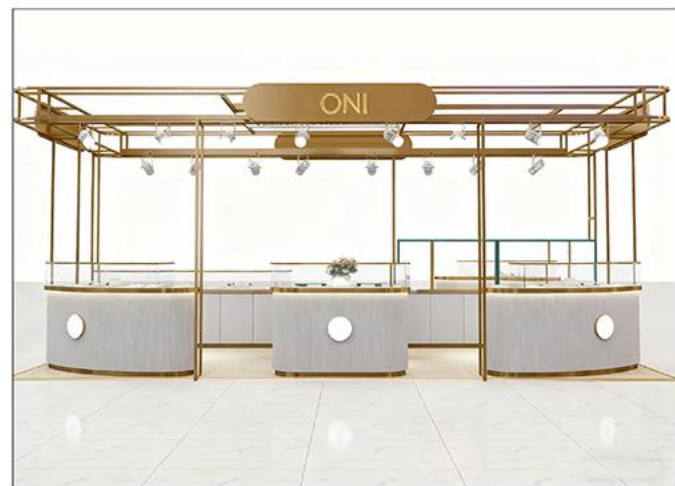

JEWELRY DISPLAY CABINET CASE - 11

DESIGN DESCRIPTION:

The jewelry store features a golden color palette as its foundation, with luxurious gold accents on the circular display cases blending seamlessly into the design. Lavish chandeliers gracefully cascade from the ceiling, their soft golden glow accentuating the dazzling brilliance of every exhibit.

JEWELRY DISPLAY CABINET CASE - 12

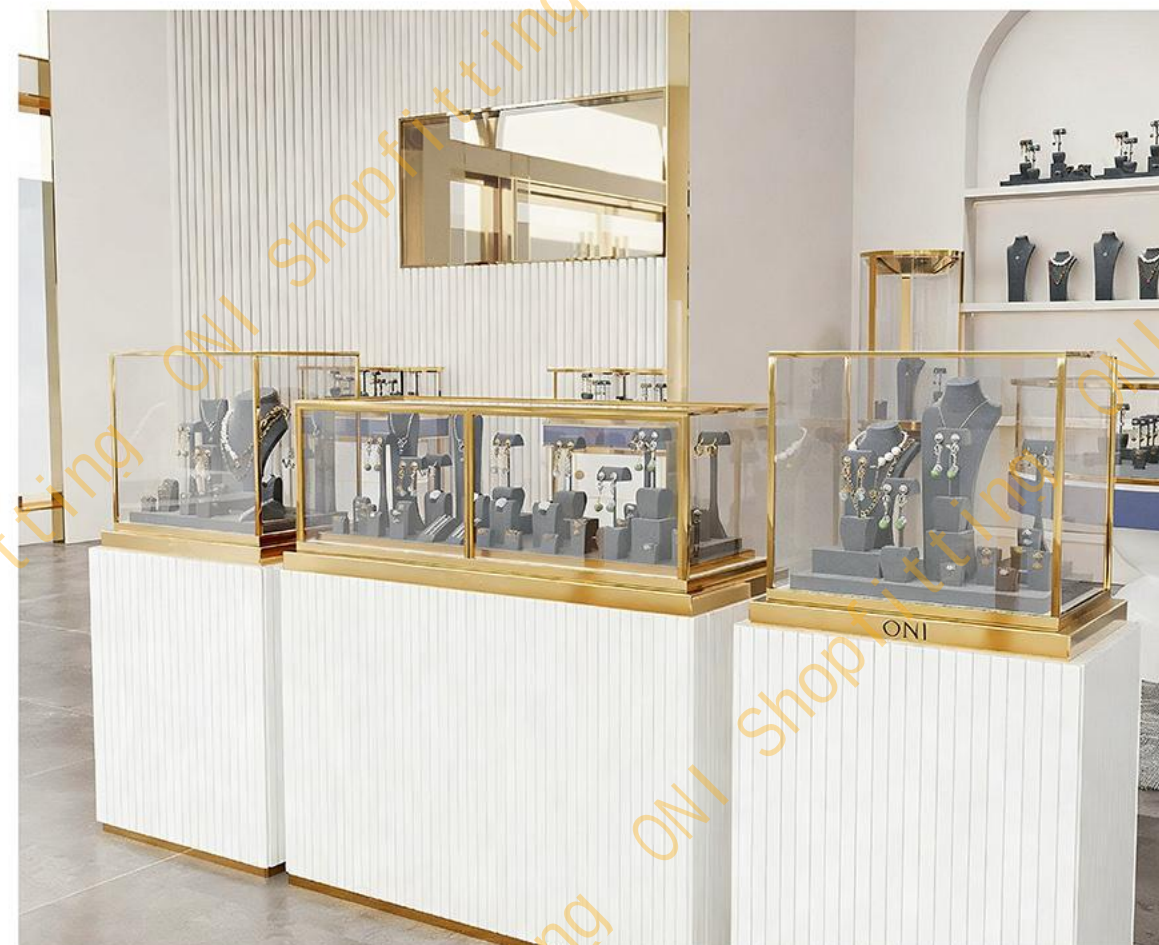

DESIGN DESCRIPTION:

The display stand features an elegant gold frame that adds a touch of luxury, perfectly complementing the quality of your jewelry and enhancing the overall presentation. Custom-made pure white jewelry display cabinets not only look beautiful and sophisticated but also accentuate the refinement and nobility of the jewelry. A relaxation area is incorporated within the stand, allowing customers to enjoy a moment of tranquility while admiring the jewelry.

JEWELRY DISPLAY CABINET CASE - 13

DESIGN DESCRIPTION:

From the display cases at the entrance to every meticulously crafted ornament, every inch of space exudes an air of elegance. Light gray marble floors complement metallic accent lines, creating a sleek and sophisticated shopping paradise. The walls transform into canvases for artistry. Professional jewelry displays, with their fluid contours and contemporary design, make the pieces appear to float in mid-air, radiating brilliant luster.

Luxury front showcase

—Golden Booth®

ONI's jewelry luxury front display case is an ideal choice for displaying jewelry. It uses high-transmittance high-quality glass to ensure that every detail and color of the jewelry can be perfectly displayed under the light. The design of the display cabinet combines modern aesthetics and practicality. The glass front display cabinet can add unparalleled dignity and elegance to your jewelry.
