ABOUT US

Founded in 2000, ONI Shopfitting Ltd. is a leading manufacturer of retail store fixtures, commercial interior fitouts, and display furnitures in Guangzhou, China. With a team of over 200 employees and a 30,000-square-meter production facility, ONI utilizes advanced manufacturing equipments to produce over 300,000 sets of store fixtures annually, including counters, display shelvings, store joineries, and display cases designed for premium product showcases.

After years of dedicated R&D and production, the company has assembled a team of specialized technical personnel and product development experts. Leveraging a dynamic team across R&D, manufacturing, marketing, and after-sales service, we employ internationally advanced production processes and technologies. Mastering multiple rigorous inspection techniques to ensure product precision and quality, we have progressively evolved into a renowned modern integrated manufacturer of display cabinets, display racks, and related products in China.
